

ABBE MUSEUM

Buying Trip to Pleasant Point

The Abbe Museum is looking to purchase **Wabanaki Products** to add to our gift shop. We encourage tribal members to attend this informal meeting to show and discuss your products and ideas for new products. A full show display is not required; simply bring your items and information. As this is the same day as the Wabanaki Cultural Days at Indian Township, we will also visit vendor booths in the afternoon.

Date: Saturday, August 14, 2010

Time: 10:00 am to 12:00 noon

Where: Beatrice Rafferty School

Items the Abbe Museum Shop is interested in, but not limited to, are:

- Basketry
- Birch bark work
- Wood work and carvings
- Traditional and contemporary beadwork and jewelry
- Dream catchers
- Fabric work/textiles
- Holistic, health, and beauty products
- CDs of Native music and Native books/publications
- Wall and home décor style art

NOTE: Items should be crafted of quality materials, i.e no dyed feathers, plastic, base metals, etc. Books and other publications are subject to review.

Abbe Museum guests visit from all over the world which perfectly positions us to represent the variety of Wabanaki products being made. We are happy to meet all tribal artists and view your work. **Keep in mind that we may not purchase from everyone on our visit but will gather your info for future reference and ideas.** Our shop sells at retail pricing so please consider if your items would fit into that structure or if we could consider them for consignment. Thank you and we look forward to seeing you!
